FIGHT LIKE SOLDIERS DIE LIKE CHILDREN

WHEN YOU'VE BEEN TO HELL AND BACK HOW DO YOU SHAKE THE MEMORIES?

This question has haunted General Roméo Dallaire since he was UN Commander during the 1994 Rwandan genocide, explored in our award-winning documentary *Shake Hands with the Devil*.

DALLAIRE'S NOW ON A NEW MISSION: ENDING THE USE OF CHILD SOLDIERS.

Will Dallaire succeed where others have failed? Or will he once again be forced to look on as the world turns away?

There is nothing as troubling as a stolen childhood. How do you recover after being compelled to kill—a fate facing 300,000 children, boys and girls, fighting in 30 conflicts around the world? Follow Dallaire to some of the conflict frontlines of Africa—Democratic Republic of Congo and South Sudan—as he meets with recently demobilized child soldiers, and their commanders, one soldier to another.
